Thank you for
your caring spirit.

When a person or medical team at our hospital goes above and beyond to aid in your recovery and care, the best way to say thank you in a meaningful, lasting way is to make a gift through our Caring Spirit program. With your support, we can help our hospital continue to provide the best possible care.

Caring Spirit

*A way of saying thank you
to the people who were there
when you needed them most.*

Caring Spirit

How Your Gratitude Can Give Back

Every day at the Campbell River Hospital, babies are born, bones are set and cuts are stitched. Patients rehabilitate surgically repaired knees; undergo CT scans and a variety of other diagnostic imaging tests.

Doctors, nurses and technicians are the life force behind any hospital. They work together as a team to treat patients with dignity and compassion. They

care about the people in our community and show it by giving you the best medical attention possible.

The Caring Spirit program allows grateful patients, family members and

friends to express their gratitude to the people who were there when they needed them most.

This program provides the opportunity to support excellence in patient care at the Campbell River Hospital, while recognizing professional service by a particular individual or health care team.

How The Caring Spirit Program Works

- On receipt of your gift, the Campbell River Hospital Foundation will send a card to the health care professional(s) you wish to honour.
- Your honouree at the hospital will also receive a Caring Spirit lapel pin, and the Foundation will ensure that he or she is recognized by supervisors and coworkers.
- You will receive a charitable tax receipt along with our thanks!

Have you received outstanding care as a patient at the Campbell River Hospital?

How Your Gift Works

The Campbell River Hospital Foundation's Caring Spirit program helps the Campbell River Hospital provide the best care possible.

The Campbell River Hospital Foundation works closely with the hospital to determine the highest priorities each year, so that funds are always directed to the areas of care where they are needed most.

Recognizing caregivers is a wonderful way to support our hospital — and your gratitude for excellent care deeply touches the hearts of the people you thank. Most importantly, your gift also helps to create an environment in which medical professionals experience greater satisfaction and have greater opportunity to excel.

“Words cannot express the wonderful care and attention I received at the CR Hospital. The staff couldn't have been more helpful during surgery and in recovery.”

— I. Roberts,
Campbell River resident
